

Class 2 Newsletter Autumn 2023

Welcome back to Class 2!

Believe and Achieve Together

Thank you so much for your generous and thoughtful gifts at the end of last year. I hope you have all had a wonderful Summer break and are now raring to go!

Literacy Year 2 and Year 3 will be reading stories with familiar settings and creating their own narratives as well as developing their comprehension skills.

Spelling and phonics will be taught on a weekly basis and will be linked to handwriting practice.

Maths Year 2 and 3 will be taught together as we continue to follow the Maths No Problem scheme, looking at place value, comparing numbers and finding patterns as well as multiplication and division.

Year 3 will be joining Year 4 in Class 3 for most of their foundation lessons including **History & Geography**. The first topic this term will be all about the Stone Age.

In **Science** they will start by learning about States of Matter

Year 3 will also be joining Year 4 for Music, German and ICT.

Routines
